

To Whom It May Concern,

Thank you for showing interest in my work and what I have to offer! You should be able to find everything you'd need to know in regards to my work as a magician here. If you have any further questions feel free to send me an e-mail via my contact information at the top of this document.

What I offer:

Walk-around: The most popular choice in my line of work, walk-around magic consists of me wandering around your event and performing **5-15 minute** routines for your guests **group after group** (or table after table)

- ♣ Great way to get the **energy** and **socializing** going at the beginning of an event, and keep your guests busy while you prepare for other segments of the event
- ♣ Performances are **up-close** and **personal**, allows more engagement and interactions
- ♣ I tailor each performance towards every group (i.e. families, children, marriages, birthdays, etc.)
- ♣ Works best for guest lists ranging from **20** to **300** people (varies based on time)

Tabled: I'll set up with a table in your venue and your guests stop by whenever they're inclined to be entertained! I'll perform **10-15 minute** routines that are **segmented** making it easy for people to leave or join mid-performance.

- ♣ Only guests who choose to be entertained will be entertained
- ♣ Allows for a wider range of magic with the aid of a pre-set table
- ♣ Slightly more professional in the eyes of the guests
- ♣ Best for **tradeshows**, and rather **large venues** and events with guests **over 300** people

Stage: Why not take them all at once!? For 'Stage' performances I perform a **30 minute** to **1 hour** show for your guests in front of the room or, as the name suggests, on a stage! Can be tailored to your event, and is often the choice if there will be multiple performers at the event.

- ♣ Allows the most amount of people to see the magic at once
- ♣ Unused time will be set towards either tabled or walk-around magic
- ♣ I have both adult and family-friendly material
- ♣ It's how I performed the most throughout my all of my academic years so I have a *lot* of material and experience!

Still unsure!? No worries! You can contact me **to schedule a meeting to see my work for yourself FREE of charge!** Plus, I provide a **50% refund** if your guests deem my work unsatisfactory, and a **100% refund** if I do not perform for the entire agreed duration.

That is how confident I am in my work and your satisfaction.
